

PERSONAL ACCIDENT INSURANCE

PERSONAL ACCIDENT INSU

Looking for some extra protection that won't break the bank?* Look no further! Personal Accident Insurance is here for people like you - always on the go. It's a way to ensure you have coverage in case of accidental death or dismemberment resulting from an auto collision or being struck by a vehicle as a pedestrian. And get this, it even covers you when you're a paying passenger on an airplane or other common carriers like buses, ships or taxis.

But that's not all. We've got options to suit your needs. Whether you're flying single or have a family, we offer both single and family coverage. That means your spouse and dependent children can also benefit from this added layer of protection.

And the best part? As a CAA member, you get exclusive rates on Personal Accident Insurance. Get coverage that's affordable and reliable.

We've made it convenient for you too. As a CAA member, you're automatically eligible for coverage. No need to worry about age or your health status, acceptance is guaranteed

Applying is a breeze. There are no medical exams or lengthy questionnaires. Simply reach out to CAA at **1.800.561.8807** today to get started.
