Credit card coverage, is it enough?

Partly covered isn't covered. It's important to check your credit card coverage to ensure you aren't leaving the province unprotected.

Some important questions to ask:

- Do I need to pay with my credit card to be covered?
- Who is covered under my credit card's travel insurance policy?
- How many days of coverage are included?

Emergency Medical coverage questions:

- Can I top-up/extend my policy?
- What is the stability period for pre-existing conditions?
- Is there an age limit for medical coverage?

Trip coverage questions:

- When cancelling a trip, what circumstances will I be covered for?
- What is the amount payable for trip cancellation and interruption?
